Greek Calendar Request Form

The first draft of the 06/07 Greek Calendar is attached for your review. Chapters wishing to include their events on the calendar should submit this form. Be mindful of the following provisions:

- Events for the calendar should be those that will affect and/or interest the entire Greek community. Events such as educational seminars or service/philanthropy events are appropriate (parties are not).
- Chapter events may not conflict with previously scheduled OFSA or council sponsored events.
- Student Center/Central Reservation paperwork must be completed and confirmed **BEFORE** the event will be added to the Greek calendar.
- Events will be placed on the calendar as chapter forms are submitted to OFSA. Chapters are encouraged to plan and schedule events **NOW** to avoid scheduling problems later.
